Team,

We understand and appreciate everyone's concerns regarding the work environment and well-being of those around you. Most importantly, we understand the need for an immediate response regarding remote work. At this time, the client is electing to suspend work on the case in NYC effective immediately. Please note that remote work has not been authorized for this project, as of now. If a decision to re-start the project in NYC is made, we will contact you - directly.

We are requesting all team members to gather their belongings and depart the facility in an orderly fashion and exit our environment since the project is effectively ending. You will be compensated for your time today. We will continue to monitor the efforts of Congress in helping to off-set the impact of lost work.

We appreciate your efforts and will be back in touch.

Best,

Denise Asnes
